

Parents' Right to Know Provisions

Requirement: The LEA has processes in place for the timely implementation of parents' right to know provisions in an understandable and uniform format and, to the extent practicable, in a language or format that parents can understand with regard to: professional qualifications of teachers and for paraprofessionals; the level of academic achievement and academic growth on the State academic assessments; identification of a child as an English learner and their subsequent placement within a language instruction education program; and required written consent of mental health assessments for a student under the age of 18.

EC = Early Childhood (Ages 0-8)

MC - EA = Middle Childhood - Early Adolescence (Ages 6-13)

A = Adult (up to age 21)

Grades K-12 = Kindergarten through twelfth grade
